and justification in several national legal orders and in European level legal institutions. The book begins with an inquiry into the nature of comparative law as a legal

**Legal Reasoning in EU Law - Oxford Handbooks**

This chapter deals with legal reasoning in EU law and the various contexts underlying differences in the standards of legal reasoning: namely, adjudication, legislative law making, and legal doctrine and public discourse. It first explains the variety of legal reasoning in EU law, with emphasis on the link between legal reasoning and reason giving.
