Propositional Discourse Logic - Universitetet i Bergen
Propositional Discourse Logic Sjur Dyrkolbotn and Michał Walicki Institute of Informatics University of Bergen, Norway

Abstract A novel normal form for propositional theories underlies the logic pdl, which captures some essential features of natural discourse, independent from any particular subject matter and related only to its referential structure. In particular, pdl allows to

Domain of discourse - Wikipedia

For example, in an interpretation of first-order logic, the domain of discourse is the set of individuals over which the quantifiers range. A proposition such as $\exists x(x \neq 2)$ is ambiguous, if no domain of discourse has been identified. [Studies in Linguistics and Philosophy: From Discourse to ...](#)

From Discourse to Logic: Introduction to Modeltheoretic ...

This is the first textbook that approaches natural language semantics and logic from the perspective of Discourse Representation Theory, an approach which emphasizes the dynamic and incremental aspects of meaning and inference. The book has been carefully designed for the classroom. It is aimed at students with varying degrees of preparation.

Logic: What's Missing from Public Discourse - Crisis Magazine

Logic, on the other hand, is the glue that holds human discourse together. Logic is what keeps us on track in a conversation and helps us to keep checking back to make sure both of us are talking about the same thing in the same respect.

Review of "From discourse to logic

Review of "From discourse to logic: introduction to modeltheoretic semantics of natural language, formal logic and discourse representation theory" by Hans Kamp and Uwe Reyle. Kluwer Academic Publishers 1993.

Discourse on the Logic of Language by M.N. Philip ...

Discourse on the Logic of Language by M.N. Philip Philip's Discourse on the Logic of Language is hinged on competing discourses. One of the most fascinating competitions in the poem, which is even more evident in the live performance of the poem, is that between the poetic and the mythic.
