What's a knowledge base and why you need it |

Atlassian

What is a knowledge base? A knowledge base is a self-serve online library of information about a product, service, department, or topic. The data in your knowledge base can be from anywhere, but usually comes from several contributors who are well versed on the subject - enough to give you all the details.

knowledge - Dictionary Definition : Vocabulary.com

Knowledge is understanding gained through learning or experience. You read a recipe to gain knowledge about baking rhubarb pie. When it burns in the oven, experience gives you the knowledge that you need to stop doing three things at once.
