'Science and Religion will always conflict', Disc ...

2.1.1. Catholic church is against the immoral use of human embryos for stem cell research. Advocates argue that it could be the solution for many who are awaiting transplants. 2.2.1. this is seen to violate principles in many religions, for example that of people having the right to live 2.2.1.1

How to assign movement type into new GL account? - Tech

Girish, It is simple, as First step assign Transaction key/Event key to the Movement Type (you want to assign to GL account). The second step should be to assign the GL account to your valuation class - only to that valuation class which is part of that Account key which has been assigned to the particular Movement type.

Emerging Technology - it.toolbox.com

"I have been tasked to study mid-term and long range
emerging technologies that may help my organization in
its transformation into a SOA. Are there any suggestions
out there on publications, meeting groups, organizations,
etc. that will assist me in finding out what cutting edge
technology is on the horizon.
