(Gapminder)

The Poverty-Growth-Inequality Triangle - World Bank  
Poverty-Growth-Inequality (PGI) Triangle , a development strategy is thus fully determined by the rate of growth and distributional changes in the population. Formally, the relationships implicit behind the PGI triangle are less simple.

What is poverty? - Economic and Social Inclusion Corporation

Poverty has many faces, changing from place to place and across time, and has been described in many ways. Most often, poverty is a situation people want to escape. So poverty is a call to action -- for the poor and the wealthy alike -- a call to change the world so that many more may have enough to eat, adequate shelter, access to education and health, protection from violence, and a voice in  
**Inequality and Development in a Globalizing World Syllabus**

Inequality and Development in a Globalizing World Syllabus Nancy Birdsall Spring 2006 SAIS Bologna Description Primarily economic analysis of the consequences of inequality in the developing world, and of the effects of increasingly open trade and capital markets on poverty and on inequality within and across countries. Effects of within-country inequality on economic growth and on

**Growth, Poverty and Inequality | Overseas Development ...**

The launch of the SDGs marks the start of a new framework to eradicate extreme poverty, reduce inequality and expand opportunity by 2030.

**Gender and poverty: a case of entwined inequalities ...**  
Social Watch Research Team I. Although poverty and gender are inextricably linked, the methodologies commonly used to measure poverty do not allow gender to be reflected in official statistics and consequently in poverty reduction strategies.

**Causes of poverty and inequality - EAPN**

Causes of poverty and inequality The overall persistent high level of poverty in the EU suggests that poverty is primarily the consequence of the way society is organized and resources are allocated. The decisions over how to eradicate poverty in the end are political choices about the

kind of society we want.
