**Numerical Methods For The Euler Equations Of Fluid Dynamics**

This workshop was a sequel of the GAMM workshop held in 1979 in Stockholm; this time, though, because of the present strong activity in numerical methods for the Euler equations, the full-potential approach was not included. Since 1979, other Euler workshops have been organised, several of them focussed on airfoil calculations; however, many recently derived methods were not presented at [Download \[PDF\] Fluid Dynamics For The Study Of Transonic ...](#)
