Concept of Rights - Oxford Scholarship

Oxford Scholarship Online requires a subscription or purchase to access the full text of books within the service. Public users can however freely search the site and view the abstracts and keywords for each book and chapter.

The Concept of Rights - Bibliography - PhilPapers

The author examines the arguments for applicability of the limitation clause which specifies the requirements for limitation of constitutional freedoms and rights (Article 31 para. 3 of the Constitution) to the right to protection of life (Article 38).

The Concept of Rights | George W. Rainbolt | Springer

The Concept of Rights defends an alternative to both of the traditional views, the justified-constraint theory of rights.

On this view, a person has a right if and only if a feature of that person is a sound justification for others to have a particular sort of normative constraint.

The Concept of Rights: George W. Rainbolt: 9781402039768 ...

The Concept of Rights defends an alternative to both of the traditional views, the justified-constraint theory of rights.

On this view, a person has a right if and only if a feature of that person is a sound justification for others to have a particular sort of normative constraint.

What Are Property Rights? - Definition, History & Examples ...

Property rights refer to the ability of an entity, whether a person or group, to exercise ownership over a tangible or intangible item. As a society, our views of property and who has rights to

The Background of Human Rights

There the concept of natural law arose, in observation of the fact that people tended to follow certain unwritten laws in the course of life, and Roman law was based on rational ideas derived from the nature of things.

Non-human Rights | World Of Matter

In the new Constitution of Ecuador (2008), Nature, as similar to human beings, is defined as a subject of law. This legal text challenges the ways by which modern-western societies conceive the material world, projecting a radical Universalist ethos based on the commonality between humans and non-humans.

Ebadi's call to Stop Child Executions | The Iranian

The Defenders of Human Rights Center (DHRC) has issued a national call to action titled: Stop Child Executions demanding the end to child and juvenile executions. This national call to action is the third of such nationally focused efforts spearheaded by the Defenders of

Human Rights Center

Theory of Fundamental Rights | Programs and Courses

The aim of the course is the ability to understand central background assumptions relevant for human rights. The students are invited to engage in critical reflection about foundations of legal concepts that are highly relevant for the application of central norms.
